

A Powerful Alliance

The VFW and SVA share a deep commitment to ensuring veterans succeed in post-secondary education programs, secure gainful employment, and grow as leaders in the veteran community.

Both the VFW and SVA defend the GI Bill and support policies that best empower student veterans to achieve their education goals and improve their quality of life.

The nation's renewed focus on veterans' welfare has ignited change on campuses and in Congress. Together we are committed to capitalizing on this momentum.

SCHOLARSHIP ★ PROGRAM

VFW's "Sport Clips Help A Hero Scholarship" provides service members and veterans with financial assistance they need to complete their education goals without incurring excessive student loan debt.

Make a difference on Capitol Hill and in your community. The VFW-SVA Legislative Fellowship gives student veterans the opportunity to advocate on policy issues faced by veterans, service members, and their families. The semester-long program includes participation in SVA's National Conference and VFW's Legislative Conference.

VFW's Student Veterans Support Grant

The VFW recognizes that it can be difficult to secure both funding and support for our student veterans and dependents at institutions of higher learning. This grant offers much-needed assistance for specific student veteran events at universities and colleges. Grant disbursement is made to VFW Posts or Departments that apply.
